Participatory Democracy

The next few months will prove to be the most important in the life of Streetsville.

We, the citizens of Streetsville, will have paid professional people $20,000 to inform us and advise of actions to be taken regarding our future. Whether to amalgamate with Mississauga or expand our boundary were analyzed in the controversial Boundary Study.

The study reveals that amalgamation with Mississauga will not diminish our problems but increase them, since Mississauga's financial future is a little shaky.

Therefore, the better and more reasonable alternative is to expand our boundaries.

This is not as simple as it may seem, for in order for Streetsville to annex the surrounding land, some agreement must be reached with the property owners involved.

Streetsville, at this point MUST put forth its best foot.

If we as citizens desire this plan of expansion, we MUST act united and willing to show leadership conveying the desire to expand and in so doing reveal to the surrounding municipality and land owners that we are capable of administering a large municipality.

Confidence in our leaders must be felt for Streetsville to succeed in conceiving a corridor cities program.

All this will not be possible if our politicians (and I now will name them in fairness to the rest of Council) mainly Mayor Graham, Reeve McCallion and Deputy-Reeve Arch, do not stop playing the old political game of name calling, bickering, accusing and all in all "gutter politics".

In the words of Councillor Thomas "We hope we've heard the last political words" now and forever.

Certainly, these three are showing democracy in action but we feel they are showing Democracy in its weakest form.

Politicians as per se are strange people but capable and responsible people.

We plead with Council - "Please, no more gutter politics. We need you to act united in this hour of decision."

To the citizens of Streetsville - without your interest, understanding and co-operation Council will not be able to do a damn thing. You are the life of this Town.

We as united citizens are the best asset Council has, to give them the ability to proceed with the boundary expansion plan.

In the words of Prime Minister Trudeau "Participatory Democracy is the involvement of ordinary citizens in the operation of their municipality, their province and their country."

Our suggestion is that all women's and men's organizations and clubs in Streetsville request one of the Councillors or a member of the Planning Board to be a guest speaker at their meeting to explain the Boundary Study.

This would be the best means of participating in our Town. For the sake of our future, let's all participate.

$300 Bingo Winner

Wednesday night is Bingo night in Streetsville and Wednesday, November 20 was a big night for Mrs. Baltus who happily received $300.00 from Lion Dick Hember when she won the "jackpot bingo." AL BETTS Photo

On Tuesday, December 3, the Streetsville Junior "C" Hockey Club held a draw for a prize Hereford Steer donated by Russ Evans. Sheila Tomlinson had the pleasure of drawing the winning ticket while Russ Hartley holds the second prize and Nancy Curtin waits to make the second draw and Jon Clipperton checks the ticket which he holds. Irene McArthur of Downsview was the lucky name drawn with W. H. South of Streetsville winning the second prize. Photo by AL BETTS

All-round Cord event

There was a very happy Guide in the Third Streetsville Guide Company when Mrs. P. Smith, district Commissioner, presented Janet Kruit with her All Round Cord and Pin on November 13. For this she had to work very hard. In order to qualify she earned the following badges - Little House Emblem, consisting of the Cook, Childcare, Needlewoman, Laundress, Homemaker and Hostess badges; also her Toymaker, Basketmaker, Hiker, Fire Brigade, Emergency Helper, First Aid, Citizen and Pioneer badges.

On the same night the following five Brownies walked or flew up to Guides from the 5th Brownie Pack: Candy Fletcher, Julie Morgan, Gayle Rigby, Sherry Ferguson and Jackie Potts (who was not available for the picture.) After the Brownies left Brownie land they were given their last farewell by the Pack with a Grand Howl, assisted by the Brown Owl Mrs. J. Fletcher.

Also on the same evening the following eight girls were enrolled as Guides: Karen Hubbard, Judy Martin, Teresa Steel, Bobbi Lynn Hayes, Sandra McVey, Patty Van Gelder, Ruth Walker and Glenda Passmore, by the Captain Mrs. Wm. Kruit and assisted by Lts. Mrs. J. MacDougall and Miss M. Augustine.

Several Brownies and Guides received badges and some service stars that night.

The meeting was closed with a nice campfire and Taps. Parents, Brownies and Guides were served refreshmens by Guides earning their Hostess Badges.

C.W.L. holds a party

Members of St. Joseph's C.W.L., Streetsville joined with their daughters on Wednesday evening, December 4 in St. Joseph's School auditorium for their annual Christmas party.

A brief business meeting preceded the festivities during which the winners in the recent draw at the parish dance were announced. The big winner was Mr. Teixeira who won the $100.00 prize. Mrs. Mary Ladner and Mrs. Eileen Kennedy each won $25.00.

Plans have been made for the presentation of a film during the Christmas holidays. It will be Walt Disney's "Sammy the Way Out Seal" and will be shown on Friday, December 27 at 2 p.m. and 7 p.m. Admission will be 35 cents for children, 50 cents for students and 75 cents for adults. Supervisors will be present and refreshments available. Plans have also been made to present "The Happiest Millionaire" on February 22.

Mrs. Phylis Martin, Treasurer, presented Mrs. Rita Reed with a past-president's pin in recognition of her untiring and dedicated work in the parish, often in the face of monumental indifference.

Mrs. Josie Russel won a lovely Christmas centrepiece donated by Gaylord Flowers in Port Credit and, instead of the usual exchange of gifts, the girls and their mothers made donations to help a needy family have a merrier Christmas

The evening was brought to a very fitting close by Father Michael Smith of Queen of Apostles Retreat House who showed beautiful coloured slides of Jerusalem and the Holy Land which brought home to every one that "Christmas" must become for us a way of life, not merely a passing interest.

New Exec.

The November meeting of the 1st Streetsville Ladies' Auxiliary was held at the home of Mrs. J. Thompson, 20 Swanhurst Blvd. and a goodly number were present, despite the weather.

Memberships for the coming year were collected and for those who have not as yet paid theirs, they can be paid to any member of the new executive.

The new executive is as follows: President - Jessie Hayward; Vice-president - Lillian McHaffie; Secretary - Sheila Lund; Treasurer - Oda Raham; Social Convenor - Verna Finley; Phoning Convenor - Marjorie Webb; Card Convenor - Bernice Bailey.

Bernice Bailey who was one of the original members of the Auxiliary when it was formed presented the slate of officers.

As several mothers were present for the first time, a resume of what needs the Ladies' Auxiliary supplied for the Cubs, Scouts and Venturers was presented and means of raising money to meet obligations were explained.

After a game of scrambled words was won by Lillian Liberty, the scrapbook which was started in 1931 was brought up to date.

Refreshments were served by Bernice Bailey and Marjorie Webb assisted by the hostess.

Boundary Study Brief available for perusal

Last Thursday Council met with the members of the local Commissions and Boards to discuss the Boundary study.

All were in favour of the boundary expansion (these were personal opinions) since their respective Committees and Boards had not yet met to discuss and comment on the Report. Council was told that their opinions will be available in about two weeks.

Mayor Graham remarked that he is in favour of amalgamation with Mississauga but will not stand in the way of Streetsville's future wishes.

He said that Council will not ram the report down our throats without participation from the municipality.

Councillor Norm Thomas was asked by the Mayor to chair the meeting. He said "With some reticence, 'I thank you'. If we appear to have one weakness it is not in the hopes for this community but a weakness in procedure and acceptance of this report." By his request there was no politicking on Thursday. He demontrated the essence of chairmanship by running the meeting with very few words from him and lots of comments from those present.

The Boundary Study report is available to anyone in or outside of Streetsville upon request, telephone 826-2131.

A letter of explanation of the Report will also be circulated to the citizens of Streetsville.

Adult Skating Night is Thursday

A weekly evening of skating for adults began last Thursday at Streetsville Arena.

As a new part of the Arena program, Thursday nights from 9.00 to 10.30 p.m. have been reserved for adult pleasure skating, at an admission fee of .50¢.

The first night saw a group of about 25 people taking advantage of this new recreational opportunity. While a larger attendance is expected on future dates, it is safe to say that there will be lots of space for casual skating. As at Huron Park, where a similar plan is in effect on Tuesday evening, both beginners and experts can find the time and lack of crowding they have previously only hoped for.

And if skaters can't justify an evening a week on the basis of fun, they can always think of the advantage in terms of physical fitness. Here's a good opportunity.

Whoops!

Last week the Review ran a story "Hell Broke Loose."

Towards the middle of the story there are remarks in quotes, by the Mayor, which appear to have been said at Council.

When the story was laid out on the page it somehow became transposed. Being human, we make mistakes also.

We must explain that all the remarks by the Mayor were made to the Review in an interview with him the morning after the Council

Building Confidence

Does your child lack confidence in himself?
If a child feels he is disapproved of by those he ants to please or that he is foolish in their eyes, his self-esteem is damaged. Children need help from their parents in gaining self-confidence.
Here are some suggestions from a federal health department pamphlet, "Building Self-confidence" on what you can do for your child:
1. A child should feel that the love he receives does not depend on 'success'. It's the attitude toward an activity that counts -- not whether a child wins, or is 'best' at it.
2. Sarcasm and ridicule destroy self-respect. Give support and sympathy. Help him to understand and accept the fact that, in some things, others are more competent than he.
3. When he is a very discouraged help him see things in a better light, reminding him of his own special achievements.

Lusitania Soccer Club hold season windup

We remember a few hockey news items coming out in soccer season and now it is the other way around.

The Lusitania soccer club held their season windup with a get-together at the arena hall on Saturday night. Larry Sousa and his boys are to be congratulated for providing Streetsville soccer fans with some very fine soccer exhibitions this summer. Only a very unfortunate incident prevented Lusitania from pulling off the event of the year. Two thousand soccer fans, mostly Portugese people, coming from all over, were waiting in Stanley Stadium in Toronto to see the Streetsville Lusitanians play. But the game never came off. Due to a misunderstanding, the opposition team failed to arrive on time and the Lusitanians had to issue refunds to all the waiting fans.

Larry Sousa and the Lusitanian team lost heavily on the venture, but more disappointing, it cost the team a planned trip to Bermuda. These people don't give up easily though, so look for Larry and his Lusitanians back again next year with more exciting soccer at the Streetsville park.

People and Events

On Thursday, November 21 at the Port Credit Legion building the Progressive Conservative Businessmen's Association of South Peel held a general meeting. Shown above are R. D. Kennedy, M.P.P., Hon. John White, Minister of Revenue and R. Pinkney, President of the Conservative Businessmen's Association as they further discuss the Smith Report on Taxation.

Streetsville Lions are available for calls

The Lions Club of Streetsville has been greatly encouraged by the response to their request for names of those in the community who might be interested in obtaining an apartment in any proposed senior citizens apartment house. Already the committee have received a fair number of completed information forms, telephone calls and personal requests from those in Streetsville and district who would be interested in obtaining an partment at a reasonable rent in an apartment house specially built for senior citizens.

However, the committee feels that there may be many more who would be interested if they knew more about what is being suggested and if they had an opportunity to talk over the project with a member of the committee, in person. With this in mind, a special group of Streetsville Lions has agreed to make themselves available to call upon those who would like to know more about what is being projected and to answer questions people might have about the proposed apartment building. These committee members are Bill McCaugherty, Dan Richmond, Wix Atkinson, Bill Tolton and Bruce Rundle.

If you would like to have one of these gentlemen call on you to give you more information please complete the form below or call - 826-1678, 826-2621 or call any of the above Lions Club members personally.

Appeared before Streetsville Council

Lanny Jobin, 11 Joseph Street, appeared before Council once again to inquire if anything is going to be done about the flooding of his basement.

Mr. Jobin appeared before Council at the beginning of the year to complain about damages in his basement caused by flooding.

Mr. Jobin explained that this is the third flood he has had and the last one cost him nearly $400 in repairs.

Council was told by the complainant that Town insurance considered his last flood an Act of God, therefore not responsible for damages.

"But", Mr. Jobin said, "when I called the Works Deprtment last Thursday, it was only a few minutes later that the water in the basement disappeared."

Councillor Bell informed Council that a report from Works Commissioner Hamilton indicates that at the time of the flooding only one pump was operating and as soon as the plug was pulled the water subsided.

Mayor Graham strongly advised Mr. Jobin to engage the services of a lawyer.

Deputy-Reeve Arch told Council that Mr. Jobin's complaint was not the only one received last Thursday. He said that at the Recreation Centre water and sewage was coming out of the manhole.

Mr. Arch feels that Council is in a precarious position. He said Council has received professional advice on the breakdown of the sewers and water seepage. He said "We know the problems and we fail to do anything about them. We will be liable if we fail to correct these problems."

He said that there is a very good case against the contractor - the sewers were not put in to specification.

Councillor Bell who is sub-chairman of the Works Department, stated that instructions have been given to the Town Solicior to research whether it is feasible to take action against the contractor. He also explained that in view of the Boundary study other plans may have to be made to correct water seepage in the sewers.

Reeve McCallion put forth a motion to request Town engineers to advise Council on some type of control which could be imposed to indicate whether the pumps were working or not.

Councillors Weylie and MacLean moved that Mr. Jobin's complaint with the Works Commissioner's report be sent to the Town's Insurance Company.

No drop-outs from unique Niagara school

Graduates of the Niagara Parks Commission School of Horticulture have no trouble finding a job.

An article about the school in Lawn & Garden Merchandising says employers engaged in various fields of practical horticulture eagerly seek to sign up graduates each year.

Many diploma-holders have found profitable employment in nurseries, greenhouses, garden centres, parks, floriculture and other horticultural enterprises that demand an intimate knowledge of plants and their habits. The diploma is widely recognized in the field of horticulture and around the world.

Unique in North America, the school always has more applicants than it can admit, and at graduation time there are always more jobs available than there are graduates.

The school has only 24 students and there are no dropouts. While other students are enjoying their summer vacation (or looking for jobs), students at the 135-acre NPC School of Horticulture are busy with their studies and getting paid for it. There are no tuition or residence fees for the three-year course and students receive an allowance of about $20 a week.

To be admitted an applicant must be a graduate of an Ontario secondary school and have experience in gardening or a closely related field of work.

The school year begins April 1, with a month's vacation (a week in summer, three weeks in December and January) and statutory holidays with pay. School work is a 40-hour week, Monday to Friday, 8 a.m. to 5 p.m.

NOTES FROM O.M.L.

The Ontario Safety League quotes this report of fast-paced living from Virginia. In Culpeper County, a 16-year old received his operator's license on a Friday, demolished his new Mustang Saturday and was joined in the hospital Sunday by his 16-year old wife who gave birth to a son.

Two traffic items reported by the Ontario Safety League:

In one English city, an officer arresting a female for a traffic-offense may not ask her age. He must estimate it.

"Drive Carefully and leave the exterminating to us" - sign on a truck of a pest control company.

THANK YOU!

To the people of the "Friendly Triangle" Mississauga - Port Credit & Streetsville, and my many campaign workers and friends who supported me at the polls - a very warm and heartfelt "thanks".

WOOLLARD N. D. P. PRESIDENT

A 1 percent hike in the present 5 percent sales tax, a 3 to 5 percent jump in personal income taxes levied for or by Ontario and no increase in corporation taxes were forecast last Tuesday night by Pat Lawlor, MPP for Lakeshore and a member of the Ontario Legislature Select Committee on Taxation. "We can expect these measures to be introduced after Christmas" he told the annual meeting of Peel South New Democratic party, meeting in Erindale Secondary School.

Rev. Keith Woollard, Applewood Acres, was re-elected President but there will be seven new faces on the Association executive. Four vice-presidents elected were - Administration, Lorne Heslip, Base Line W.; Organization, Liew Nicholas, Cooksville; Education, John Jamieson, Cooksville; Finance, Mark Ricketts, Park Royal. The four secretaries elected were - Recording, Maureen Massey, Dixie; Mailings, Mary Bil, Park Royal; Membership, Reita Ives, Lakeview; Publicity, Gordon Gemmell, Forest Glen.

Tony Vigers of Lakeview was re-elected as treasurer and Dick McPherson also of Lakeview was elected union liaison officer. Mary Jenkins was named the Social Convenor. The youth representative on the executive will be Jack Van Duyvenbode, Erindale, President of Peel South Young New Democrats.

Mr. Lawlor, explaining why he dissented from the Select Committee proposals on the sales tax, said, "A general sales tax on every kind of service bears most heavily and unfairly on the poor. We urge the sales tax be extended to a selected group of items only - extra or luxury items - and we're prepared to fight for thi principle - in fact filibuster for it".

Keith Woollard promised "A deeper involvement of the party in community issues. Where tenants are being exploited by apartment owners, we will help them organize and secure adoption of a tenants' bill of rights."

"Objective '71" for Peel South New Democrats is thorough organization of their riding with the objective of capturing the seat from the Conservatives. "Our candidate won 27.4% of the vote in 1967, just behind the Liberal 30%. Mr. Woollard reported. "South Peel is winnable for the NDP."

The Mystery is Solved

Now the mystery is over. There are no more secrets to keep and there are no more tricks to play. The Four Corners Square Dance Club held their Mystery Dance on Saturday, November 30 at T. L. Kennedy high school. It was an evening of fun and surprises. Throughout the evening, Bert Everett kept the square dancers guessing - guessing the names of the tunes he was playing and the fiddlers who played the tunes. When the callers names were revealed, it was discovered they were all people who had called in this area. Grant Garbutt, Bert Everett and Bill Duncan kept the dancers thinking as they took turns calling various dances to the same record. A husband and wife team, Alma and Les Burrows sand "The Trail of the Lonesome Pine." Mystery callers hid behind the curtains and sang the crowd through yet another dance. When the curtains were opened to reveal their identities, it was discovered that the callers had disappeared. However later in the evening, Jeanne Reid and Barbara Banks were given credit for the excellent performance they had gven.

A Bingo Hat Dance kept everyone laughing. All the men received a lady's hat. As the dance progressed, the women removed the hats from one gentleman to the next as they did a Grand Chain to B-I-N-G-O. A few hats disanpeared each time and the men who found themselves bareheaded were asked to leave the floor.

The usual coffee, tea and donuts were enjoyed by everyone at the intermission. However, surprise packages containing interesting gifts were received and gave the members and guests something to talk about.

Now with the Mystery Night behind the club, members and guests look forward to the Christmas Snow Ball on Saturday, December 14 at T. L. Kennedy. Santa will be there and Rudolf too!

R.N.A.O. ELECTION TO TAKE PLACE AT JANUARY MEET

Peel County Chapter R.N.A.O. held its December meeting in Brampton on Tuesday, December to coincide with Professional Day in the County Nursing groups in each agency planned their own Professional Day, then nurses from all agencies met in the evening for a dessert and coffee party.

Interim reports on recruiting of new members in four categories were presented, and recruiters in one category stated that more than one half the potential members contacted indicated their interest in joining R.N.A.O. Recruiters and helpers have been working hard and are pleased with the results. Joint moderators of the reports were Mrs. Helen Barr and Mrs. Jessie Morris. Recruitment team leaders are Miss Barbara Cooper, Miss Marion Marshall, Miss Marilyn MacDougall, Mrs. Jessie Morris and Miss Sandra Sutherland.

Mrs. Lenore Mills, Chairman of the Nominating Committee, reported that the slate of officers was progressing nicely. The election will be held at the annual meeting in January.

Following the reports a modern comedy film was shown.

To conclude the evening, a wine and cheese party for members of the Executive and all recruiters was held at the home of Mrs. Helen Barr, Brampton.

TIMELY TIP

Few drivers realize it, but liability insurance policies have a clause prohibiting the use of the vehicle while the driver is impaired by drugs or alcohol. The Ontario Safety league points out that a car owner, even though he carries full insurance, may become personally liable for damage awarded as a result of an accident while the driver was intoxicated.

Wednesday, November 6 the students of St. Joseph's School had an opportunity to show their parents what they are learning. Mrs. Gelder and Mrs. Karl took an interest in sampling and watching while Lewis Reis, Anna Pyrezak, Heidi Wirth, Carol Virus, Wendy Terpstra and Manual Cabral made applesauce under the instruction of Sister Mary Peter. Mrs. McIsaac took an interest in another room in the way some of our new citizens improve their language by means of a tape recorder and a picture dictionary. Delores Pereia, Giselda Maria Demedeiros, Maria Bwrger and Manuel Reis listen to the recording made by their teacher Mrs. C. Thomas.

TOMKINS-ROMERIL WEDDING

COUPLE WILL RESIDE IN PORT CREDIT

White and yellow mums decorated St. Bride's Anglican Church in Clarkson for the autumn wedding of Barbara Ann Romeril and Bryan Edward Tomkins.

The bride is the daughter of Mr. and Mrs. Herbert G. Romeril of Clarkson and the groom is the son of Mr. and Mrs. Raymond C. Tomkins of Streetsville.

Rev. T. H. Rooke officiated assisted by the groom's uncle, the Rev. Canon C. V. Tomkins of Brantford with Mr. A. Roberts at the organ.

Given in marriage by her father the bride was loveld in a floor-length princess style gown of pale yellow chiffon over taffeta with a shoulder length veil falling from a tiara. She carried a cascade of white carnations intermingled with red rose buds.

Her sister Miss Jennifer Romeril as maid of honour wore a floor-length gown of candy pink chiffon over taffeta with an Empire waistline accented with little bows of the same material. She carried a cascade of pink carnations. Susan Romeril attended her sister as flower girl, wearing a silver grey and red dress.

The bride's mother wore a dress of shocking pink lace and lurex over taffeta with a corsage of pink and white pinks. The groom's mother wore an A-line sheath of Lincoln green bonded crepe with a corsage of yellow feathered carnations.

Following a recention at the bride's home the counle left on a honeymoon to Niagara Falls, the bride wearing a blue and green mini-dress and camel hair coat with brown accessories and a corsage of white carnations. The young counle will reside at 22 Peter Street, ort Credit.

Out of town guests included Barbara's grandparents Mr. and Mrs. M. J. White of Welland; Bryan's grandmother Mrs. Ernest Gibson and his aunt Mrs. Donald Robinson of Windsor and Miss Janet Seldon of Ingersoll.

Prior to her wedding the bride was entertained at two showers at the homes of Mrs. Pat MacDonald of Park Royal and Mrs. Gordon Bell of Streetsville.

Ben Petersen and Arnold Rosenburg, well-known residents and active participants in Streetsville Peewee Hockey and the Streetsville Soccer Club, formerly of Doug's Barber Shop are pleased to announce the opening of the Village Squire Barber Shop and Hair Styling. The shop is located at 210 Queen St. South, across from the Cenotaph.

REV. DUNCANSON GIVES MAIDEN SPEECH

"This is my maiden speech as convenor of Stewardship and Budget but it will be no 'mini-budget'," commented Rev. R. D. Duncanson of Norval to the Presbytery of Bramnton of the Pgesbyterian Church in Canada, meeting in Boston Church near Milton on Tuesday, November 19.

He revealed that the Presbytery's givings to the "Budget" (the outreach beyond the local congregation, including home and overseas missions) ranked 33rd out of the 48 presbyteries in the country. Thirty-two presbyteries reached or exceeded the national average but this one fell 90 cents per member below, giving only $9.38 per member last year to the broader work of the Church. The speaker, in urging greater response, noted that this was true in one of the most favoured parts of the country.

A forward step was taken by the presbytery in applying to the Women's Missionary Society for the appointment of a deaconness to train Christian education workers in new congregations in this presbytery and East and West Toronto presbqteries.

Recognizing the challenge of a population trebling in five years through new high-rise, medium-rise and town housing in Bramalea, the presbytery agreed to the suggestion of the congregation to ask the National Church Extension Department to declare Bramalea an "experimental field". The plan calls for devising programmes to ensure the congregation to obtain the facilities to minister effectively and at the same time provide the funds necessary for sound programming.

Plans for a conference on adult education and for a meeting of lay people regarding the National Development were announced.

The cout convened under the new moderator, Rev. D. S. Jackson, Port Credit with its new Clerk, Rev. D. J. Herbison of Erin, assisting him.

Air conditioning bldg.

B. Bratty and Son Ltd. of Downsview, has been awarded a $28,010 contract to air condition the Federal Building at Port Credit, Public Works Minister Arthur Laing announced recently.

Four tenders for the contract were opened November 20 - the successful being the lowest. The high was $37,715.

Air conditioning is being installed now to improve summer working conditions in the building. The work will be completed by April, 1969.

Rybka, Smith and Ginsler Ltd., a Toronto firm of consulting engineers, prepared plans and specifications for the work. Supervision of the contract will be provided by R. S. Fonberg, director of the Toronto District of the federal Department of Public Works.

JAYCEES PLAN COMMUNITY SURVEY

The Mississauga Jaycees have announced the plans for a Survey of the Towns of Mississauga and Port Credit. One thousand 14-page Survey Forms will be personally distributed throughout the area early in 1969. Forms will be left only with householders who indicate they will complete the Survey. A high percentage of return is therefore anticipated. Questions will cover education, Transportation, Recreation, Government, Accommodation and other matters of local interest.

A draft of the Survey Form will be distributed to local Government, Education, Recreation and Police authorities, as well as interested community groups, for comment.

Plans call for a report of the Survey results to be distributed to municipal authorities and community groups in June. Separate statistics covering households in Port Credit and five sections of Mississauga, will be published to indicate regional differences.

Any community group wishing to obtain a draft questionnaire for comment or help to distribute Surveys, is asked to contact Don Slemko at 277-0391, during business hours or 279-2385.

Ontario Safety League Astounded

Ontario Safety League officials were astonished at implications in the newspaper report of a court case, October 11, 1968. A 20-year old man was acquitted on a dangerous driving charge in connection with an accident in downtown Toronto at about 2 a.m. that killed a 37-year old father of eight. "The magistrate ruled that the accused's failure to observe the red traffic light facing him at the intersection did not constitute dangerous driving because there was no evidence of undue speed on his part. The magistrate noted that he had stopped for a red light at the previous intersection, and that the road was wet and driving conditions that night were less than perfect".

Mabel Peach, Norah Busby, Gerda Kaszuba and Merrill Burton gathered around the flip chart to discuss further the subject of a series of talks which took place at Trinity Anglican Church during the past few weeks. Several people took advantage of the opportunity to discuss "The Core of Christianity" during the series. It is anticipated that a similar series may be run early in the new year if enough interest is shown.

Ontario Conference on the Troubled Child

Delegates to the successful Ontario Conference on the Troubled Child have no intention of resting on their laurels.

Follow-up studies in their own communities will be made for the next year in preparation for a second conference to be called in the fall of 1969.

Sponsored by the Junior League of Toronto and the Ontario Division of Canadian Mental Health Association, the three-day conference at the Inn on the Park, drew 400 delegates from across the province.

Mississauga area was well represented. Judge H. T. G. Andrews of Brampton, Peel County Juvenile and Family Court, was one of the speakers on a panel on Current Problems.

Mrs. D. M. Johnston of Port Credit, President of South Peel Branch CMHA, attended and spoke on the volunteers in the Classroom project of the University Women's Club of Port Credit. Her presentation was among the Innovation Programs discussed during the conference.

The UWC program with the Mississauga Board of Education, calls for a sympathetic adult to give a troubled child individual attention and instruction outside the classroom, with a view to improving his adjustment to his social environment and academic work. Results of the "one-to-one" contacts, always under the guidance of the department's psychologist, have been successful.

Other area delegates were Mrs. E. M. Fogden, CMHA Board Member, Clarkson; Rev. and Mrs. R. E. McLennan, Herbert Breithaupt and Dr. and mrs. Richard Nero, Cooksville; Dr. G. D. Cormack, Mrs. Joyce Waite and Mrs. C. A. White, Port Credit; Mrs. D. M. Morrison and Mrs. gladys Patch, Mississauga and Mrs. R. E. Hinton, Clarkson.

The Installation of officers for the 1968-69 year was the highlight of the November meeting of Peel Chapter #96 Order of the Eastern Star held in the Masonic Temple, Streetsville.

Officers installed were - Worthy Matron - Mrs. Emmie H. Barker; Worthy Payron - Raymond C. Tomkins; Associate Matron - Mrs. Toni Peer; Associate Patron - Les Peer; Secretary - Mrs. Edna Burns; Treasurer - Burns; Treasurer - Mrs. Irene Broadbear; Conductress - Mrs. Emma Blake; Associate Conductress - Mrs. Bernice Turner; Chantain - Mrs. Hannah Province; Marshal - Miss Grade Bullock; Organist - Mrs. Dorothy Russell; Adah - Mrs. Igene McCracken; Ruth - Mrs. Otillie Dowling; Esther - Mrs. Muriel Tomkins; Martha - Mrs. Ivy Pelling; Electa - Mrs. Anne Stroud; Warder - Mrs. Win Emmans; Sentinel - Mr. T. Grice; Soloist - Mrs. Hazel Dalgleish.

Prior to the Installation Honorary Membership were presented to Mrs. Maude Baxter, P.D.D.G.M. of Toronto and Mrs. Aileen Trenouth P.D.D.G.M. of Cooksville.

Following the Installation the Immediate Past Matron and Paton - Mr. and Mrs. Tom Emmans presented each other with their jewels and signed the Bible.

This was followed by a delicious lunch which was served by Mrs. Sadie Reid and her committee and members of Golden Rule Chapter in Oakville who assisted.

IN THE COURTS

Mississauga Nov. 19

Grant Cooley, 30, had a discerning eye or the iner things in lie. He pleaded guilty to stealing a mink stole, a sable scarf, other bits and pieces of fur, and assorted jewellery from a local home. The value of the goods - close to $5,000. Magistrate H.T. G. Andrews sentenced Cooley to three years in Kingston penitentiary. At the time he committed the break-in, he was on parole from the same institution. He still has to serve almost two years on the original charge against him, which was trafficking in narcotics. The magistrate pointed out that he had already imposed a 5-year penitentiary term on Cooley's companion in crime, who also happened to be a narcotics addict, and it was only fair that they should get the same treatment. Both men have lengthy records.

•

His girl-friend's mother threw him out of the house and told him not to come back. Edward Michael, 20, drowned his sorrows in liquor and was promptly picked up for impaired driving. The court wondered why the girl-friend's mother had taken such rigorous action. She was English and just didn't like Scotch people, Mr. Michael advised. He could think of no other reason. The court, while sympathetic, imposed a fine of $150 and costs on the charge of impaired driving.

•

Raymond Clark, 22, was a young married man and in financial difficulties, the court was told. He admitted stealing a carton with 24 ladies' sweaters from F. W. Woolworth, as well as helping himself to some rugs which belonged to his employer. Most of the stolen goods were recovered and returned to the owners. Mr. Clark received a suspended sentence of eighteen months and was placed on probation for the same period of time, with an order to make restitution for $75.

P.C. PRES. TO SPEAK HERE

The newly elected President of the Ontario Progressive Conservative Association, Alan Eagleson, B.A., L.L.D., will be the speaker when the Peel South, Provincial P.C. Association holds its annual meeting at 8 p.m. on Wednesday, January 15, 1969.

Arthur Harnott, recently appointed as Information Officer for the provincial party, will also be present.

The meeting will take place in the Texaco Room of the Port Credit Library.

"Planning and Organization" will be the topic of Mr. Eagleson's address, and election of officers will take place.

ST PATRICK's C.W.L.

The November meeting of St. Patrick's C.W.L. was held in the Parish Hall. During the business portion of the evening, plans were finalized for the Christmas meeting.

The "very special" speaker was Mrs. Myrna Johnson a former resident of Cape Croker She discussed the needs of Indians today.

Also on the agenda was Mr. Ed. Lemay. He answered many questions pertaining to the Separate School Board.

STREETSVILLE ATHLETE OF THE WEEK

Danny Crawford

It took a long time coming but the IGA Peewees first win last week was delicious. The team has come close on numerous occasions but always came out on the short end of the final score. That was until last Saturday when they soundly thrashed Acton 4-0. This week we salute the dominant figure on the IGA team - Danny Crawford. Danny hasn't turned in a bad game all winter and several times has been picked the most valuable player in the game. He has scored almost half of his team's goals while he has played defense, forward, power play, penalty-killing and just about everything except goal-tending.

Twelve-year old Danny is in Grade 7 at Russell Langmaid school where it is suspected that his teacher, Mr. Sinclair, might be giving him a few hockey tips on the side. Danny's father coaches his team, his brother plays on the juvenile Derbys and even his mother is a hockey enthusiast. With all these influences Danny didn't have any choice. He had to produce. He also produced well last summer playing lacrosse and baseball.

JUNIOR "C" DERBYS

This probably sounds like a cracked record by now - but it happened again last week. The Derbys took on two of the most formidable teams in the loop in one home game and one away game. Over in Milton they lost a close one 3-2 but in doing so they looked like they too should be fighting for first place. In their home game, however, they were soundly whipped by Lindsay 9-4.

It was a familiar story in Milton. The Derbys again outshot the opposition by a wide margin in the third period but couldn't quite find the target. One of these days the Derbys' luck is going to change - it can't be bad all winter.

Milton took a 2-0 lead in the first period. Then early in the second Bruce Kalapaca scored from Bill Perks. Thirty-eight seconds later Gary Van Buskirk tied it up on a pass from John Rayner. That was the end of the Derbys' scoring however and the one goal they yielded to Milton late in the period proved to be the winner.

Then there was the home game. It must be noted that although the Derbys record in the won and lost standings doesn't look too red hot, the team has been decisively beaten only three times.

Bill Perks got the Derbys off to a fast lead by scoring twice within the first seven minutes against Lindsay. John Naismith made it 3-0 at 13:41 and tings looked pretty good at that point.

The home fans' rejoicing was short-lived however and of the ten goals scored after that, Streetsville claimed only one - that one by Ron Schott in the third period. Bruce Kalapaca assisted on Schott's goal as well as two of the first period goals.

Derbys journey to Georgetowf on Sunday, then take on Richmond Hill at Streetsville Arena next Tuesday.

STREETSVILLE - MEADOWVALE HOCKEY

For the second week in a row Gary Walker scored three goals. Joining him in the hat trick club this week was Mark Mullally.

PAPERWEIGHT

Mark Mullally's hat trick helped Elder Packing to a 4-2 win over Moore Electric. Robbie Trimble helped out on two of Mark's goals and Cary Ledoux scored the other goal. George Araujo and Paul Hendry scored for Moore.

Ian Bedford who was purchased by Streetsville Flyers from Streetsville Pharmacy for an undisclosed sum, came back to haunt his old teammates by scoring both the goals in the Flyers 2-0 victory.

NOVICE

Gary Walker with his hat trick and David Chadala with two goals accounted for all the scoring for Reid Milling in their 5-0. David and Gary are running 1-2 in their division scoring now, have scored all their team's goals and are mainly responsible for Reid Milling's present first-place position. Jim Zardo and David Odd drew assists.

Daniel Goheen scored twice and Rob McLaughlin once for Kerr Flooring as they beat Canadian Tire who got goals from Kevin Hunter and from Terry Anderson assisted by Roger Mazerola.

Peter Wicklun, Frank Araujo and Jim Hogue scored for Lion's Club to give them their first win. Doug Payne scored both losing Canada Brick's goals, one assisted by Ricky Very.

PEEWEE

The twelve goals in the Peewee League were all registered by different players. Biggest score was run up by Maple Lodge Farms. Five players scored one each. Peter Lockwood had a goal and an assist while Peter Page, Bob Oatt, Peter Reid and Karl Lechler got the others. David Crawford earned one assist. Losing Kiwanis Club goals came from the sticks of John Halliday, Glen Mullally and Rick Williams with Jeff Pritchard and Jim Rowe getting assists.

Edgar Williams scored one which was assisted by Mike Robinson, then assisted Darryl Bond's goal to keep Hoy's cafe winning record intact. Hoy's won 2-1 over Kinsmen whose goal was scored by Raymond Bryant and assisted by Jimmy Ggay.

Consumers Gas shut out Atkinson Insurance 1-0 on David Baldwin's only goal of the game. Mike Cormier and Steve Douglas assisted the play.

BANTAM

Andy Bergman scored the first two goals that have been scored against Canadian Legion since the regular season began. His team was down 3-0 at the time so Andy set up a third goal, scored by Ken Christie, to give his team, the Canada Brick Truckers a 3-3 tie. Keith Flood and Ray Neissen assisted his first two goals. Kim Flowers led the Legion scoring with a goal and two assists. Robbie Reid had a goal and one assist, Bill Merkley scored one and Wade Potts assisted one.

Pemrow Pipe Lines came up with their first win mainly due to Jim Kerr's efforts. Jim scored both goals one of which was assisted by Allan Araujo. Bob Smith from Brian MacRae got Long's Service Centre's only goal in the 2-1 loss.

Rotary Club beat Robinson's Pharmacy 3-1 with Gary Gillis netting one and assisting one. Mike Roy and Mark Gahan scored the others while Brian McInnis, Harry Knibbe and Dennis Hayden drew assists. Robinson's goal was scored by Dennis Shaw assisted by Noel Bergasse.

-- HIGHSCHOOL BASKETBALL --

Streetsville High School made an auspicious start in the basketball season last week. They swept a double bill from Lorne Park. The juniors came from behind to win 44-36 as they were led by Greg Viens who scored 15 points. The senior game was all Streetsville as they outclassed Lorne Park by 22 points. Larry Nuttal with 11 and Chris Smith with 8 led the team but they had a strong supporting cast as several players had 7 points each. Fred Fain led Lorne Park wiyh 10 points.

Streetsville Bantams led by Bob Chadala lost their opener 33-29, also to Lorne Park.

Other senior games saw Gordon Graydon led by Mike Stoyka beat Port Credit 41-38. T. L. Kennedy with Rick Klacza netting a phenomenal 24 points, won 54-39 over Applewood. John MacKenzie netted 21 for Applewood.

Graydon Juniors also won 39-31 with Len Platt leading the way with 15 points. Applewood Juniors beat Kennedy 37-29.

To everyone in South Peel: THANK YOU

The 1968 UNICEF campaign has been most rewarding. The Secondary School Campaign was active, enthusiastic and very successful. Over 2,000 students walked on a UNITHON from Huron Park to the City Hall, Toronto, raising thousands of dollars from their sponsors. With the support of the Mayor and Council, the Board of Education, Recreation and Parks Department, Police Department, many Service Clubs and citizens, the students held the UNICEF Fall Fair at Huron Pak, which was very successful in spite of the inclement weather. Many local business firms gave their support, including Canadian Admiral Corporation, Bank of Nova Scotia, Port Credit; Calico Cat, Streetsville; Longhorn Steak House, Mississauga; Dixie Flower Shop, Mississauga; Murray Shoes, Applewood; Sylphene Shop, Port Credit; Armstrong Jewellers; Eddie Black Camera Shop; Fraba's Drug Store; Cooksville Beauty Centre.

In the Secondary and Public Schools many activities and projects were carried through. Then came Hallowe'en, with plenty of ghosts and goblins carrying UNICEF boxes.

What was the result of this demonstration of "Positive Student Power"? $68,662.55 was collected and sent in to National UNICEF. This amount is an increase of almost - $30,000.0 from 1967. Most of the credit for this must be given to the enthusiastic teens. Of this total, $93.87 was donated privately, - $14,438.36 was raised by the Public Schools and $54,130.32 by the Secondary Schools. The highest contribution of the Secondary Schools was made by Lorne Park S.S. with a per capita donation of $8.94.

We hope this increase is also due to concern on the part of the community towards the needs of UNICEF in helning the world's children. Every day, throughout the wolrd, 30,000 children are dying from malnutrition and disease. Thank you again for helping us to combat this through the UNICEF programmes.

Yours sincerely,

Mrs. J. Hogg,
Chairman,
South Peel UNICEF
Committee.

Dialogues in Education held at T.L. Kennedy

On Wednesday evening the students and staff of T. L. Kennedy Secondary School were hosts to Mississauga parents, youth leaders and employers in their first "Dialogues in Education" night. An encouraging attendance of all ages and occupations met in small group discussions.

The program was initiated by the presentation of a closed circuit television program, - "Living, Thinking, Learning" portraying Kennedy students in active learning situations. The film was produced by members of the staff. Students were seen investigating the cause of a card jam in the 1130 Computer and then clearing it; discussing self-realization of the characters in a novel; solving the mysteries of a mathematical series; creating models of chemical molecules encountered in their research; expressing themselves through their own art media and restoring life to an ailing automobile engine. These learning situations did not involve teacher participation.

This film presentation was designed to acquaint parents, youth leaders and employers with the present day learning environment and new teaching techniques. Informal discussions developed freely from the film.

Businessmen indicated their desire for beginning employees to have a sense of responsibility and self discipline capable of independent thought but willing to accept direction. Parents felt unable to communicate with their teenagers. Students felt that parents made no attempt to listen and failed to give support when it was required. Also, grade 13 students endorsed the present approach to individual student responsibility and learning and hope to see it encompass all levels of education in the near future.

While the scheduled program was completed by 9.30 p.m., many discussions continued for another hour. About 80% of those attending have insisted on follow-up programs being organized.

Additional discussions are planned to assist the school to develop programs suited to the evolving needs of students in Mississauga.

ERINDALE COLLEGE NEWS

The Hart House Glee Club will be visiting the Erindale College for the first time to give a performance on Thursday, December 12. The concert will begin at 5.15 p.m. in the College Cafeteria and the public are invited to attend.

On Thursday, December 12 at 8 p.m. a Public Lecture will be held in Room 248. Co-sponsored by the Canadian Institute of International Affairs, Mr. Ray Wylie who has recently returned from China will give the lecture entitled "The Cultural Revolution in China - Revolution in a Revolution."

The Erindale College Players will present T. S. Eliot's "Murder in the Cathedral" on Friday, December 13 at 4 p.m. in the College Cafeteria.

Erindale students have started a weekly newspaper called the "Erindalian". Robert Rudolf Arts 1) is the Editor.

Two members of the faculty have rented a house on Mississauga Road which is to be used as co-operative housing for students. Two students have moved in and feel sure that all seven vacancies will soon be filled. They would be grateful for any contributions to their home such as armchairs, bookcases, tables, etc.

Conversion work has now started on the house which is to be used as a student recreational centre. It is hoped that work will be completed by the New Year. The house is situated on Mississauga Road.

MODERN TRENDS IN SEX AND ETHICS EXAMINED

Modern trends in sex and ethics were examined in the discussion on "Moral Maturity", the fourth in the parent-education series - "Let's Talk Teens", sponsored by the South Peel Branch, Canadian Mental Health Association.

The guest lecturer Dr. Stephen Neiger, Chairman of the Sex Information and Education Council of Canada, was assisted by two young adults, John Inch and Miss Cathy Graydon.

Mr. Inch, who until recently was acting chairman of the Etobicoke Youth Board, stressed that honesty by parents in communication with their children was of prime importance. He quoted the statement - "the error of youth is to believe that intelligence is a substitute for experience, but the error of age is to believe that experience is a substitute for intelligence".

Recent studies cited by Mr. Inch, indicated that only about 5% of teens gain their knowledge of sex from a qualified source, while most of the remaining 95% gained theirs in the playground.

Enlarging on this, Dr. Neiger expressed the view that most parents are unable to cope with the job of proper sex education alone because teens reach a level where they 'tune-out' parents. He felt that the Sex Information and Education Council of Canada, working as a unit outside the home and the school, can most adequately educate in this area.

Dr. Neiger quoted Dr. Isadore Rubin, a leading sex educator in the United States, "At this time there is just no way for our society to reach a decision on what our sex values should be".

According to Dr. Rubin there are at present in North America at least five moral systems. They range from the traditional conservatism, which believes the only purpose of sex is procreation - and which was never really obeyed - to the extreme liberal view, which holds that marriage should be 'out' and that everyone is sexually crippled.

The middle view is termed the new morality or situation ethics. This view says that no act can be judged intrinsically right or wrong. With this morality, the participants decide whether either party or their relationship will be harmed by the act.

Dr. Neiger felt that the way our society is set up, there is usually some measure of harm to the girl resulting from pre-marital love-making, because of our double standards.

He also felt that it was very difficult to expect young people in the passion of the moment to base their decision on how they see their relationship in the future.

In the concluding lecture at St. Luke-on-the Hill United Church, Dr. John Rich will summarize the series in his talk on "The Effective Parent."

Rhodes Scholarship

Derek Henderson Allen 21, son of Mr. and Mrs. T. . Allen of Peel Village, Brampton, has won one of two Rhodes Scholarships awarded in Ontario.

His father, Tom Allen, is chairman of liberal arts for Sheridan College in Brampton and his mother is head of children's services for Brampton Public Library.

Fourth year honors and philosophy student at Trinity College, University of Toronto, Derek plans to pursue his philosophy studies toward a B. Litt. or B. Phil. during his two or three years at Oxford. Travelling expenses, tuition and maintenance will be paid for him.

Derek was elected head of the arts students at Trinity; is president of the University of Toronto Debating Union, and canoies and swims expertly. He took his high school at University of Toronto Schools.

T. J. Allen also attended Oxford in 1938-40, on an IODE svholarship. His classmate there was Saul Rae, Canadian Ambassador to Mexico, whose son Robert, 20, is the other Ontario Rhodes Scholarship winner.

ELECTION ROUND-UP

CANDIDATES, VOTERS & FUTURE ELECTIONS

The next time a voter says "I didn't vote because I didn't know who was running" - I'm going to believe him!

The lack of communication between the County School Board candidates and the public certainly proved itself last Monday.

There weren't any all-candidates meetings for the Public School supporters to attend and see/hear for themselves just who was running and on what platform.

Only Rudy Bos, started his campaign early enough (at the UNICEF Fall Fair at Huron Park) and Glenn Grice the present Chairman of the Board, who was fortunate enough to have some good advance publicity (even though it involved a group of teachers from Russia). Bos attended or tried to attend just about every social affair that was planned prior to election day.

William Kent had an impressive flyer made up listing his excellent qualifications, as did others, and these were passed around at the Nomination meeting.

The Dufferin-Peel R. C. Separate School Board candidates, however, did some very strenuous campaigning the week before E-Day. They held two all-candidates meetings. One in Clarkson at St. Christopher's Parrish and the other at Mississauga at St. Alfred's Parrish. In the interim, they had their own committees formed, including their wives and families and interested supporters who blitzed all churches with flyers for two Sundays prior to the election.

The most impressive thing about these candidates is that while they were campaigning for themselves, they made the effort to get a plug or two in for absentee candidate Tom O'Dwyer who was in hospital during the entire campaign. An orchid to Gerald Duggan, Ed and Val LeMay for their fine efforts on O'Dwyer's behalf which truly paid off.

A bouquet to the ladies at St. Alfred's parish and to Moira Hibble for their efforts on Barney Gallant's campaign. They even had scrutineers inside and out at the poll.s. To Mr. Gallant, a talented and competent man who did considerably well, considering that this was his first election - congratulations.

I think "time" was the reason for the poor turnout. All candidates had less than two weeks to campaign. In an election where many surrounding areas were grouped together to vote for the same people, there wasn't nearly enough time for any of the candidates to make the rounds of each municipality. Perhaps the Town Clerk can make a motion to stretch this campaigning to at least three full weeks. A Public Relations man from each group would then arrange a campaign involving each area accordingly. Some candidates could have street representatives to do some door knocking for them. This is the way it is done on Provincial and Federal levels and the candidates in these elections have six weeks to two months. But just look at the results - 75%!

Perhaps before the Regional Government elections come into reality, both the People and the Candidates should think about these things and only THAT means of constant communication will ensure a much higher turnout at the polls.

A Game of Municipal Chess - Now we know what they're doing at Queen's Park

Our elected Provincial representatives at Queen's Park have been spending a considerable length of time and a great deal of money playing a new game called -- "Municipal Chess".

In this game, the Queen is the "Party in Power". (In the original game of chess, they were called the minister or general).

The rules are simply to confuse the electors at their expense. The players can be kings, queens, rooks, knights or bishops. The object of this game is to capture the opponents king (through an election). The pawn is the weakest man (he can't move very far.)

The question is: Are we going to remain "pawns" to be pushed around the chess board?

And the answer: A "pawn" may obtain a promotion (through a ballot.)

Safety Tip

Safety is largely a matter of give and take, says the Ontario Safety League. GIVE thought, TAKE care.

Girl of the Week

Cheryl Peters, 15, of 3232 Ibbetson Cr. has been selected as this week's 'Girl of the Week'.

Cherly was born in Toronto but has lived in Regina, Calgary, Vancouver and then back to Mississauga. She is a Grade 10 student at Erindale Secondary School and hopes to travel around the world to study different societies and then become a lawyer.

Her hobbies are painting and sewing and she likes - fog, rain, candles, campfires, quiet places and loud music. Her favourite expression is "That's Cool." Photo by STEVE MOORE

LIBERALS ARE ALSO HUMAN BEINGS?

Hyl Chappell, M.P. for Peel South recently received a letter from Jack VanDuyvenbode, President of the Peel South Young New Democrats, requesting that definite action be taken in Parliament on the Nigerian - Biafran conflict.

The context of the letter included the following statement: "Even though you are a 'Liberal' you are still a human being, and must therefore feel that something has got to be done to help aid the victims of this idiotic war." To which Mr. Chappell graciously replied - "First of all may I thank you for your observations." He then went on to explain "It has been explained to members of your party from time to time by Mr. Trudeau and Mr. Sharp, as you may verify by looking through Hansard, that the Organization of African States do not wish us to do anything further at this time other than continuing to assist on a humanitarian basis. However, if you have a solution that is reasonable please bring it to my attention and I will support it."

So perhaps Mr. Chappell is a human being, after all!

THE CORPORATION OF THE TOWN OF MISSISSAUGA

PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the following sanitary sewers together with private drain connections. Part of the cost of the work will be assessed against the land abutting directly on the work and part of the cost will be assessed to the Town of Mississauga Sanitary Sewer Area.

(a) A 27 inch diameter sanitary sewer on an easement over Lot 15, Range 2, S.D.S., Racey. Tract from the north easterly limit of Lot 15, (Westerly end of Paisley Blvd.) to the north westerly limit of Lot 15, (Southerly end of Floradale Drive), a distance of 80 feet at a total estimated cost of $2,000.00.
(b) A 27 inch sanitary sewer on Floradale Drive from the southerly end of Floradale Drive to Lot 10, Registered Plan 603, a distance of 490 feet at a total estimated cost of $14,000.00.
(c) A 10 inch diameter sanitary sewer on Floradale Drive from Lot 10, Registered Plan 603 to Lot 12, Registered Plan 603, a distance of 130 feet at a total estimated cost of $2,000.00.
(d) A 24 inch diameter sanitary sewer on easements over Lots 9 and 10, Registered Plan 603, from Floradale Drive to Dunbar Road, a distance of 270 feet at a total estimated cost of $7,000.00.

2. The property to be specially assessed is all property abutting the sanitary sewers described in paragraphs (a) (b) (c) and (d).

3. The estimated total cost of the work is $25,000.00 of which the Town of Mississauga Sanitary Sewer Agea's share as described in By-law 7478 is $16,100.00. The owner's cost of 17 residential private drain connections at $200.00 per connection is $3,400.00. The owner's cost of the sewer is $5,500.00. The estimated cost per foot frontage is $5.00; owner's special annual rate per foot frontage is $0.472. The annual cost of each private residential drain connection is $18.88. The special assessment is to be paid in twenty (20) annual instalments. Thj estimated lifetime of the work is twenty-one years. The total annual area's share of $1,519.72 represents .01 mills. If you are a ratepayer in the Town of Mississauga Sanitary Sewer Area and are presently assessed at $5,000.00 you would pay .05¢ towards the cost of this project per annum for a period of 20 years.

4. Application will be made by the Corporation to The Ontario Municipal Board for its approval of the undertaking of the work and any owner may, within twenty-one (21) days after the first publication of this notice, file with the Clerk his objection to the work being undertaken.

5. The Board may approve of the work being undertaken, but before doing so, it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 10th day of November, 1968.

G. LUMMISS, Clerk,
Municipal Offices,
100 Dundas Street West,
Mississauga, Ontario.

Tri-County hockey roundup

If you enjoy hockey at its best, be sure to take in the OMHA game each Saturday and Monday nights. The house league is where the boys get an opportunity to play and learn the game o hockey. The OMHA is where the lads execute what they have learned and gain the experience necessary to play hockey at its best.

Three boys won recognition or their play during this past week. or the Derbys it was Glen McPherson; . or the Thunderbirds it was Jef Very; and for the IGA club Craig Glassford was honored.

JUVENILE

Derbys 6 - Oakville 3
Derbys 2 - Hespeler 1

Victories three and four were picked up by the Derbys in last week's action. A fine turn-out of enthusiastic fans watched our Derbys outclass Oakville last Monday. Everyone on the team played exceptionally well. Down 2-0 in the first period, Streetsville came roaring back. It was the Athlete of the Week, Glen MacPherson scoring with a blistering slapshot that started the ball rolling. Before the period had ended Daryl Kack evened the score with the assist going to Mike Walker. Doug Kalapaca scored early in the second frame to put Streetsville ahead to stay. Then at 11.27 in the same period, one of the finest goals ever to be scored on home ice was executed by Glen macPherson. After Doug Kalapaca broke up an Oakville rush big Glen wheeled around two defenders before lifting the puck high into the net for the score. mike Walker added their fifth goal with Dave Lyons drawing the assist. Doug Kalapaca who was chosen MVP for the game scored his second goal of the night to close the scoring at 19.57 of the third period. Chuck Hands and Johnny Crawford earned assists. A well-earned victory for Streetsville over the Triple A Oakville team.

Ay Hespeler the Derbys waited until the third period to end the scoreless tie. Doug Kalapaca with help from Bobby Varga scored their first marker while Mike Walker scored the winner at 12.05.

The Derbys finally bowed to Brampton last Sunday but not before Mike Walker had scored his third goal of the week.

NOVICE

Thunderbirds 6, Acton 3
Thunderbirds 2, Brampton 3

With a little bit of luck the Thunderbirds should have had a pair of victories last weekend. The T-Birds outshot Brampton 28-14 but were outscored 3-2. The fast skating Streetsville Club thoroughly outskated, and out-thumped the much larger opposition only to have the clock beat them. With two minutes left in the final period, Brampton scored the equalizer and with only 48 seconds showing on the clock a long lead pass ended with a fine goal to win the contest for Brampton. Jeff Very voted MVP gained the well-deserved recognition as Mr. Defenseman of the Novice Club. Jeff played two sparkling games leading rush after rush and many times denied opposing forwards of opportunities to score. Robbie Flack who has to be rated one of the best scorers in the Novice league took care of his entire team's scoring Sunday. Very fine two-way efforts were turned in by forwards Scott Snarr, Paul Cooper, Dennis Varga, Paul Flack and Marc Sinclair. Ross Eisele played superlative goal and had fine defensive help from Len Bryant and Randy Johnston.

On Saturday, the T-Birds simply outclassed the Acton opposition. The Scooter Line of Marc Sinclair, Paul Flack and Dennis Varga accounted for four of their team's six goals and picked up ten scoring points. Marc earned two goals and two assists; Paul earned one goal and two assists while Dennis Varga scored a goal and picked up two assists. Both Marc and Paul are of paper weight age playing with boys who for the most part are two years older. Scoring in this game also were Robbie Flack and one of the T-Birds' most improved forwards Paul Cooper. Paul played perhaps one of his best two games of the season. Scott Snarr earned assists and was one of the hardest hitting forwards in the Brampton game. The young red-head Dwayne Hamilton played a fine two way game and was chosen MVP Saturday. The T-Birds are beginning to roll and should have an excellent chance in the playoffs.

PEEWEE

IGA 4 - Acton 0
IGA 1 - Brampton 2

Coach Bill Crawford must have had a grin a mile long after his team shut out Acton for their first win of the season. In Brampton the club played exceptional hockey and could have come out with a solid victory but simply did not get the lucky breaks. Paul Vella from Greg Perla opened the scoring for IGA and not before long Greg himself added goal number two. In the third period Rod Crawford and Paul Vella combined to help David Very score his goal. Ending the scoring for IGA was Captain Dan Crawford. Dennis Chadala set up the play. Around the PeeWee division Craig Glassford is being tabbed Mr. Goalie. This fine goalkeeper not only earned his first shutout of the season but has been the reason for the improved play of his team. Hj has continually kept his team in many games and now that this IGA club is beginning to jell it looks like this team will win many more games before the season is over.

BANTAM

Hutt Fence 1 - Acton 3
Hutt Fence 2 - Brampton 5

Despite the two losses over the weekend coach Wes Robinson was pleased with the play of his team. The two lines of Shaun O'Connor, Dave Rollings, Chadala and Miller, Cove and Mota played good sound hockey. Dave Rollings was voted MVP for both contests and to see this lad play is a pleasure in itself. The defence is a tough, hard-hitting quartet comprised of Mike West, Glen Fletcher, Eric Ross and Mike McLean. Kevin Zardo continues to impress in goal. The three goals for Hutt Fence were scored by O'Connor, Rollings and Miller. Credited with assists were Rollings, O'Connor, Chadala and Doug Cove. It must be remembered that the Hutt Fence Club is up against opposition that has been together probably since Novice, so any victories that they gain throughout the year are worth a lot more than 2 points in the minds of Hutt Fence supporters.

Maple Lodge Farm 2 - Oakville 9
Maple Lodge Farm 1 - Brampton 8

The Maple Lodge Club got goals from Paul Whaley and Bernie Baldwin in the Oakville game with John Sears and Dave O'Hearn picking up assists. A fine two-way 3ffort by Dave O'Hearn won him the MVP for his team. At Brampton Bill Rowe scored their lone goal with Craig Inch and Ted Breadman drawing assists.

O.P.P. NEWS

HIGH WINDS CAUSE LOAD TO BE BLOWN FROM TRUCK -

On Thursday, December 5 at approximately 1 p.m. George Taylor of Woodstock was driving his transport northbound on Highway 27 south of Dixon Road. Mr. Taylor's truck was hauling a new aluminum home, which was being shipped from Woodstock to Sudbury. The high winds caused the house to become dislodged from the truck and was blown into the ditch and knocked down a section of fencing.

At 2.30 p.m. a second home was bieng transported north on Highway 27, and near Rexdale Blvd. it was blown from its truck. The driver of this vehicle was Raymond Desroches also of Woodstock. Several O.P.P. officers of Port Credit Detachment were on the scene and assisted rush hour traffic past these houses. Both houses were removed later that evening when the high winds eased.

SAFE DRIVING WEEK RESULTS -

The following are the accident results comparisons for 1968 and 1967 during safe driving week:

- IN 1968 -

Total Accidents	68
Persons Injured	7
Property Damage - $32,800.00	

- IN 1967 -

Total Accidents	42
Persons Injured	3
Property Damage - $18,735.00	

TO DRINK OR NOT TO DRINK-

During December 1967 10 drivers did not make it directly home through the Port Credit O.P.P. Detachment area. All 10 were arrested for impaired driving, some after being released from hospital. It only takes a few drinks to impair one's ability to drive a motor vehicle. A few drinks during a social evening or a Christmas office party may, if a person insists on driving, cause this person social embarrassment, personal injury and added expense during the holiday season. Take a taxi, it's more convenient than a police car!

HIT AND RUN DRIVER APPREHENDED -

On Saturday, December 6 at approximately 4.50 p.m. a two car accident occurred on Q.E.Way westbound lanes near Islington Avenue. One vehicle fled from the scene. This vehicle was apprehended shortly after on Highway 122 just south of Q.E.Way by Prov. Const. Ed. Blady of O.P.P. Port Credit. John Hunter Campbell of 36 Castlefrank Road, Toronto has been charged with Failing to Remain at an accident, Careless Driving and having liquor in a place other than a residence. Damage was estimated at $125.00 and there were no injuries.

SENIORS ENJOY ANNUAL CHRISTMAS DINNER

The 10th Annual Christmas Dinner of the Cooksville Senior Citizens was held in the Cooksville United Church, with the ladies serving a delicious turkey dinner to the 87 guests.

Following supper the tickets were drawn for the quilt and other donations given by the local merchants. The quilt went to a lady in Port Credit.

Entertainment was provided by the Scottish dancers under the direction of Mr. and Mrs. Izatt of Clarkson. The evening closed with all joining hands and singing Auld Lang Syne.

Another enjoyable event was the Christmas Party put on by the Recreation Department for the Seniors of Mississauga. This party was held in the Allan A. Martin School on December 5. Over 300 members enjoyed the variety programme put on by entertainers from Toronto. Mrs. Nicholas won the lucky draw of a hand-painted picture donated by Mrs. Isabel Donnohue, one of the Cooksville members. A delicious sald plate was enjoyed, after which everyone departed for home feeling glad to belong to such a fine group, and with gratitude to the Recreation Department of the Town of Mississauga.

Dickens Night At U.W.C.

Charles Dickens, the man and his writings, took on a special meaning for the University Women's Club of Port Credit on Monday night, December 2 at Riverside Public School. Mrs. Madge Withers, mother of club member Shirley Brinkhurst, gave three excellent readings - one each from Nicholas Nickleby, A Christmas Carol and Christmas Stories. Mrs Withers is especially well qualified to interpret Dickens since she has been an active member of the Dickens Fellowship in England since she was in her teens.

Mary Pallett lead her Christmas carollers in singing several carols which were popular in Dickens' time.

Apparently Charles Dickens loved amateur theatre and often took part in his own sketches on the occasions the family got together and the members were delighted with the presentation of one of his favourite sketches from Nicholas Nickleby by Helen Ferguson, Shirley Brinkhurst, Nancy Hennigar and Fran Kautsky.

Mrs. Withers also had a collection of Christmas toys and gifts, which were commonly given during Victorian times, on display. It was the custom in those days to attach the gifts unwrapped, to a relatively bare tree. A star on top of the tree was very popular.

Before enjoying a cup of coffee and a mince pie, Mary Pallett lead the whole membership in singing Christmas carols.

Shopping Party Is Big Success

It was a great day for approximately 120 patients on Wednesday, December 4, as they chose gifts for their loved ones at a shopping party held at the Lakeshore Psychiatric Hospital; sponsored by the Canadian Mental Health Association, South Peel Branch.

An appealing selection of gifts for all ages was donated by generous members of the surrounding communities. The hall was decorated with Christmas posters and attractive tulle Christmas trees made by members of the White Cross Social Club. Background music added to the festive atmosphere.

Thirty volunteers assisted the patients in their selections and helped them wrap each one. The patients then sat down to coffee and Christmas cake.

Gifts were also sent to patients in Homes for Special Care.

The Committee in charge of this program consisted of the chairman, Mrs. Pat Lambert, Mrs. Miriam Anderson Mrs. Joy Dinnin, and Mrs. Jane Shrimpton.

CONTACT LENSES - How long each day should a person wear contact lenses? Ig is good policy to wear the lenses for a maximum of 10 hours, which is the normal working day, after which they should be removed for two or three hours. They could then be worn again for a a full evening.

Magistrate's Court

In Magistrate's Court at Mississauga on November 26 Gerard Benson, 38, pleaded guilty to shouting and using obscene language at the Toronto International Airport. His ire was aroused when he found that his plane for Windsor had left without him. He was adamant in claiming that it left five minutes ahead of schedule and was trying to convince the employees of the airline, when the police were attraced by the high decibel count and choice content of his language. Mr. Benson did not insist and was satisfied with Mr. Benson signing a bond to ensure his good behaviour for twelve months.

Lawrence Ermatinger, 17, and Gerald White, 22 had been drinking heavily in a parked car in the Erindale area. A fight developed and another youth with them was so severely beaten about his face that he had to be hospitalized. Ermatinger said he bought the beer consumed by them in Michigan and smuggled it across the border in a tire. He claimed the victim had been 'bugging' him. Magistrate H. T. G. Andrews fined him $50 or five days in jail. Gerald White who had a previous conviction of assault, was sentenced to three months in the Ontario Reformatory.

•

A 31-year old married man was put on eighteen months probation and ordered to take psychiatric treatment after he pleaded guilty to indecently assaulting a young babysitter. The babysitter's age was given as 12 years by the Crown and 15 years by the defence. She was caring for the accused man's child in his home when he walked up to her and touched her in a way construed as indecent assault.

•

Yves St. Onge, 32, elected trial by a higher court on a charge of breaking into Kristina's Beauty Salon in Cooksville. An employee of the Salon testified that several wigs and a 'fall' were missing when she came to work one morning. While she did not know who was responsible for the theft, she was certain that a hairpiece shown to her by the Crown was her very own, which she had kept at the store. The case will come up at the next sittings of the high court.

Orphans' Benefits

Under the Canada Pension Plan, orphans' (children's) benefits are paid at a flat rate of $25.50 per month for each of the first four dependent children of the deceased contributor and $12.75 per month for each additional child.

MORE YEARS - LESS FOOD - Fewer calories are needed at 35 years of age than at 25, even for doing the same work, and still fewer at 45 years. If habits of heavy eating are kept up, they lead to overweight which may shorten life.
